This is an aerial photograph of a rural landscape, likely in a European country, showing a network of fields and roads. A prominent blue-shaded area, possibly representing a river or a specific land use, winds through the center of the image. A scale bar at the bottom indicates distances in meters, with markings at 0, 125, 250, 500, 750, and 1,000. The word 'metry' is written at the end of the scale bar.
