

Invitation to the 25th Conference of the Working Group Sustainability / Soilprotection of the Working Community of the Danube Regions Small-Scale Food Production Systems: Innovations for Healthy Soils & People

24th and 25th of April 2018 in Tulln

Small-scale food production systems are increasingly attracting the attention of producers, consumers and scientists as a possible solution to the manifold ecological and economic dilemma of agriculture and food supply in a world with an ever increasing population. Such systems typically involve intense labour and aim at high and diverse productivity on small pieces of land.
