20 km

# GPS-Mapping technology to be used for...

Reclamation or protection of challenged land

Land use management

Climate impact assessment

# Lake Pilrampattu

Differences in water levels from 2017 and 2018

**Legend**

-  Lake Area - Late October 2018
-  Original Water Level
-  Sugarcane Field
-  Water Level - Late June 2007

# Lessons learned

- 1. Activities not prepared by farmers**
- 2. Little insight gained into livelihoods**
- 3. Scope of project was too broad**
